WORK EXPERIENCE

Vansales Application Co., Ltd.

Jan 2025 – Present

UX/UI Designer

- Own end-to-end UX/UI process across web and mobile — discovery through high-fidelity prototypes, design systems, and developer handoff.
- Collaborate with developers and stakeholders through UAT and release cycles.
- Balance strategic design decisions with hands-on execution aligned with business goals.

Leafy — Senior Capstone Project, KMUTT

Aug 2023 – May 2024

UX/UI Designer & Project Manager

- Led 3-person team through full product lifecycle — user research, visual system, high-fidelity Figma prototype, and frontend delivery.
- Designed accessibility-focused e-commerce + knowledge hub with role-based adaptive UI (WCAG 2.1 AA).
- Built modular Figma component library using Variants to bridge design and code.

Marvelous Studio Co., Ltd.

Jan – Jul 2023

UX/UI Designer (Intern)

- Contributed to in-house digital products across full UX/UI process — research to final delivery.
- Conducted usability testing, synthesised feedback, and presented deliverables to stakeholders.

Princess Maha Chakri Sirindhorn Foundation (PMSF)

Sep – Dec 2022

UX/UI Designer (Freelance)

- Redesigned foundation's public website with responsive design and improved navigation.
- Delivered fully mobile-responsive interface resolving key usability pain points.

Hello World Ermine 2021

Aug – Nov 2021

Senior Staff — UX/UI & Graphic Designer

- Designed event website and all graphic assets, ensuring responsive performance across devices.

Hello World Dolphin 2020

Oct – Nov 2020

UX/UI & Graphic Designer

- Developed Easter festival website — won 1st place for Best Website in faculty competition.

AWARDS & ACHIEVEMENTS
